SMARTLIFT™ SYSTEM

BE SAFE. BE SMART. USE THE SMARTLIFT™ SYSTEM.

THE SMARTER WAY TO LIFT YOUR DRIVELINE.

This exclusive Woods® design does the heavy lifting for you by holding the weight of the driveline as you connect and disconnect your Woods Batwing® 15 series.

SMARTLIFT™ SYSTEM

BE SAFE. BE SMART. USE THE SMARTLIFT™ SYSTEM.

HOW IT WORKS

1 Remove the klik pin.

2 Lift the SmartLift™ lever into position.

3 Once in position, the SmartLift™ holds the driveshaft while a spring allows for easy vertical adjustment.

**ALIGN AND CONNECT TO YOUR TRACTOR'S PTO
EASIER THAN EVER.**
